May 2026

The Bro Dwywnwen Ministry Area Council (MAC) is required to develop a plan for all its church properties. The property plan will include information about the state of the buildings, how they will be developed, taking account of the views of the congregations and the communities that the churches serve. The feedback will also be helpful in the development of a mission plan. The plans will be reviewed and updated on a regular basis.

This questionnaire is intended to gather the opinions of as many people as possible. It is anonymous so that everyone can feel free to contribute, whether or not they attend church.

A) Please write the name of the church here.....

B) Please answer the following four questions as fully as you can.

1. What are the best things about the church you are describing (buildings, people, locality etc)

2. Are there any aspects of church life you feel need to be improved?

3. What things could this church be doing that it isn't doing at the moment?

4. Is there any aspect of church life in Bro Dwywnwen that you are concerned about/could the church do more (what)?

Any other comments? (continue on a separate sheet if needed for any of the questions):

Please return this sheet to one of the church wardens or Liz Foskett by 15th May, thank you
